No. 30212 /BMC, BBSR

Dated. 30/07/2020 /

## SOP for Smooth Operation of Mobile COVID Testing Van

One mobile testing van out of CSR funds have been arranged to conduct RTPCR testing. The van is mobile and will cover places where there is difficulty in getting people tested.

1. The mobile testing van will remain in the custody of Capital Hospital for which one dedicated testing team will be assigned by the Capital Hospital. Requirement of man power other than medical personnel will be provided by the BMC. The Dy. Commissioner (Establishment), BMC will take necessary steps for it.
2. The provision of driver and maintenance will be done by the BMC. The AE (Mechanical), BMC will receive the vehicle and look after the operation & maintenance of the vehicle by taking the vehicle into the book of Accounts of BMC. A BMC driver will be assigned to the vehicle. The DC (Estt.), BMC will take necessary steps for it. The everyday POL will also to be issued from BMC.
3. The requirement of the vehicle will be communicated by the Dy. Commissioner (Covid Cell), BMC to the Dy. Superintendent, Capital Hospital who will direct the vehicle to report at designated place along with the Laboratory Technician (LT) team for SWAB collection.
4. The AE (Mechanical), BMC will take steps for installation of a GPS device to track the movement of the vehicle. The Smart City team will coordinate for installation of GPS device and its movement tracking.
5. The log book for the vehicle will be signed by the Hospital Manager of Capital Hospital for issue of POL by BMC.
6. The team from Capital Hospital is to collect the Bio Medical Waste generated and take back to Capital Hospital for proper disposal.
