No. 43126 /BMC, Dated. 08.09.2020 /

To,  
CEO/COO of SUM COVID Hospital/KIMS COVID Hospital/Hi-tech COVID Hospital &  
CCC/Aditya Aswini Hospital/Nilachal COVID Hospital

Sub: Provision of CC TV facility inside the COVID Hospital Wards

Sir,

I am to invite a reference on the subject cited above and inform that in COVID hospitals the timely presence of Doctors and paramedics are of paramount importance for effective treatment of patients. The mere presence of a doctor near the patient have a great psychological advantage for the patient and hence it is essential that doctors should visit the patients more often in a day to ascertain the health condition of the patient. This will also help timely shifting of patient from General to ICU for critical care intervention which will ultimately result in timely cure of the in-patients and further decrease in fatality rate.

There is little scope on part of the AMO/AP to visit inside the COVID wards, hence some check mechanism should be put in place for monitoring the timely intervention of doctors/paramedics to the patients.

It is therefore suggested that CC TV may be installed within the hospital building at wards/ICU and corridors to ascertain the movement of doctors/paramedics in the wards. The back up of the CCTV footage should be kept for record.

This may be treated as EXTREMELY IMPORTANT AND URGENT.

Yours faithfully

  
Commissioner

Bhubaneswar Municipal Corporation

Date: 08.09.2020

Memo No: 43127 /BMC

Copy to AP/AMO concerned for information and necessary action. They are requested to pursue with the Hospital authorities for installation of CCTV in their hospital,
