In the Lottery two types of token (one containing the Name of the allottee with UAN Number and the other containing the Block No. Floor No and Flat No) were prepared. Two allottees of the above category were invited to verify and fold the tokens and drop the same into transparent Lottery boxes kept in front of Observers. The allottees after verification put the tokens into Lottery Box kept in front of the Observer and Members. Then one token from the box containing allottee's name and one token from box containing flat number's were drawn by the allottees invited to the dias. The allottees who participated in the drawal of lottery are requested to pickup token out of the Lottery Box and put their full signature on the backside of the combined tokens and the said final tokens were authenticated by the Observer (Rtd. Judicial District Judge and Secretary-cum-Member Estate, BDA. Thereafter the
