HOUSING & URBAN DEVELOPMENT DEPARTMENT

NOTIFICATION

The 15th November, 2025

No.27581-HUD-TP-POLICY-0005/2020/HUD.—Whereas the draft of the Odisha Development Authorities (Planning and Building Standards) Amendment Rules, 2023 was published as required under section 125 of the Odisha Development Authorities Act,1982 (Odisha Act 14 of 1982) in the Extraordinary issue of the *Odisha Gazette* No.4363 , dated the 10th October, 2025 under the Notification of the Government of Odisha in the Housing and Urban Development Department No.23990-HUD-TP-POLICY-0005-2020/HUD., dated the 10th October, 2025 inviting objection and suggestion from all persons likely to be affected thereby, till the expiry of a period of 15 days from the date of publication of the said notification in the *Odisha Gazette*.

And whereas objections and suggestions received in respect of the said draft before the expiry of the period so specified have been duly considered by the State Government;

Now, therefore, in exercise of the powers conferred by section 123 of the said Act, the State Government do hereby make the following rules to amend the Odisha Development Authorities (Planning and Building Standards) Rules,2020, namely: -

1.Short title, extent and commencement.—(1)These rules may be called the Odisha Development Authorities (Planning and Building Standards) Third Amendment Rules, 2025.

(2) They shall extend to all the “development areas” which are so declared under sub-section (1) of section 3 of the Odisha Development Authorities Act, 1982.

(3) They shall come into force on the date of their publication in the *Odisha Gazette*.

2. In the Odisha Development Authorities (Planning and Building Standards) Rules, 2020 (hereinafter referred to as the said Rules), in sub-rule (1) of rule 2, for clause (cxvi), following clause shall be substituted, namely.-

“residential building” means a building in which sleeping accommodation is provided for normal residential purpose with or without cooking or dining or both facilities and includes one or two or multi-family dwelling dormitories, apartment houses, flats and hostels; and shall include Detached individual house, Semi-detached individual house, Row housing, Apartment Building, Service Apartment, Rental Housing, Professionals’ residence, Staff housing/Staff quarters, Service quarters, Workers’ quarters, Industrial housing, Dormitory for workers / Labour colonies, Transit home, Residential Club, Homestay, Bread & Break Fast, Paying Guest Accommodation, Hostel, Hostels for students/working men/ women, Dormitory, Guest House, Dharamshala, Boarding House associated with Insitutional purpose, Welfare Home (Night shelter/Old age home / Orphanage/Adult Day Care Home/Home For The Aged/Home For The Differently-abled/Community residence center/Senior care centre/Hostel for Autistic persons/Maternity Waiting Homes)”

3. In the said rules, in rule 8, for sub-rule (2) for clause (vi), following clause shall be substituted, namely.-

"(vi) Charges for Purchasable Floor Area Ratio (FAR).—Charges for Purchasable FAR for 1 Square meter of built-up area shall be equivalent to 1/4th of the benchmark value of 1 Square meter of land area.

Note.—(a) where the project is having multiple plots with multiple benchmark values, the benchmark value shall be taken as the weighted average of benchmark value of all plots,

(b) Seventy-five percent (75%) of the amount received towards Purchasable FAR shall be deposited in the Comprehensive Development

Plan Infrastructure Development Fund (CIDF) of the Authority, and the remaining twenty-five percent (25%) shall be deposited in the general account of the Authority.

(c) The amount to be refunded towards incentives for green buildings as provided under sub-rule (2) of Rule 51 shall be made from the Authority's general account in which the aforesaid twenty-five percent (25%) of the Purchasable FAR amount has been deposited.

4. In the said rules, after Rule 15, following rule shall be inserted, namely.—

"(15A) Revalidation of Permission.- Every permission granted under Section 16 of the Act shall remain valid as prescribed under Section 20 of the Act. However, the permission shall be revalidated before the expiry of the said period on payment of such fee as prescribed under the ODA (Common Application Form) Rules, 2016, and such revalidation shall remain valid for a further period of two years."

5. In the said Rules, the rule 27, shall be substituted, namely.—

"27. Uniform Zoning Rules.—(1) In the Development Plan, various Land Use Zones (LUZ) are delineated with their respective boundaries, and such zones shall be regulated in accordance with the provisions contained in Table No. 3A and 3B. Any existing zoning regulations applicable to the said Land Use Zones and prescribed under the Zoning Regulations of the respective Development Authorities shall stand superseded from the date of commencement of these amendment rules:

Provided that, where the Development Plan indicates any land use other than that provided in Table No. 3A or 3B, the development within such land use zones shall be regulated in accordance with the provisions of the zoning regulations prescribed in the respective Development Plan and regulations.

(2) Except as otherwise provided, no structure or land hereinafter shall be

used, and no structure shall be erected, re-erected or altered, unless such use is in conformity with the applicable zoning rules or regulations, as the case may be, and the provisions of these rules.

(3) In cases where a layout plan has been approved and specific land uses have been assigned to various plots therein, such land uses shall be adhered to, unless any such use falls under the prohibited category specified in the applicable zoning rules or regulations, as the case maybe, for the respective Land Use Zone (LUZ).

(4) Without prejudice to any other law for the time being in force, all places of worship, temples, churches, mosques, burial and cremation ground, public utility buildings and industrial buildings as existing on the date of notification for inclusion of the area under the Development Area as notified under Section 3 of the Act, shall be exempted from being treated as non-conforming uses:

Provided that continuance of such uses are not detrimental to the locality as decided by the Authority from time to time for consideration of such cases:

Provided further that, in respect of all non-conforming land uses existing prior to the inclusion of the area within the Development Area, no expansion shall be permitted; and at the time of redevelopment, the zoning rules or regulations, as the case maybe, in force on the date of such application submitted under Section 16 of the Act, shall apply."

6. In the said Rules, after Rule 27, the following rules shall be inserted, namely.—

"27A. Different use of land.—(1) Permission for different uses in different land use zone shall be permitted as prescribed in Table No.3A & 3B.

(2) The permissibility of any activity in any Land Use Zone prescribed in the Comprehensive Development Plan shall be decided in accordance with Table No. 3A and 3B.

(3) The Table No. 3A shall apply to those Land Use Zones where only a negative list of activities has been prescribed, and all activities that are not included in the said negative list shall be deemed to be permitted. The purpose of prescribing a Negative List of activities is to regulate land use and development by specifying activities that are prohibited or restricted, while allowing all other activities that are not expressly prohibited, thereby achieving Ease of Doing Business. This negative-only list approach ensures flexibility, reduces unnecessary regulatory barriers, and enables compatible, contemporary, and innovative land-use practices within each zone, subject to compliance with building norms, environmental safeguards, and other statutory provisions.

Provided that, the Authority and the State Government shall monitor, from time to time, whether any unforeseen activities hazardous to public safety, health, or orderly urban development have been allowed as a result of the negative-list-based regulatory framework, and may notify additional prohibitions, as required, to ensure public safety, health, and orderly urban development.

(4) The Table No. 3B is applicable for such Land Use Zones, where activities are either 'Permitted' or 'Permissible on recommendation of DP&BP Committee' or 'Prohibited' and such activities are placed under column (c), (d) and (e) of the said Table, respectively:

Provided that, permission for different uses placed under column (c) shall be accorded outrightly in the different zones as described in Table No.3B; and permission for different uses described in column (d) of the Table No.3B shall be accorded on special consideration by the DP and BP Committee and reasons for such consideration shall be recorded in writing:

Further provided that, the State Govt may prescribe terms and conditions including levy of fees and charges, for guidance of the committee for consideration of such cases placed under column (d).

(5)The activities specified in column (e) of the Table No.3B shall not be

permitted in the areas reserved for particular uses.

(6) The purposes which are not specified in column (c), column (d) and column (e) of the Table No.3B shall be interpreted by the DP and BP committee on basis of such analogous entries in these columns.

(7) In case of Transit Oriented Zone (TOZ) and Mixed Use Overlay Zone notified under these rules, where a negative list of activities is provided for such areas, the provisions of Table No. 3A and 3B shall not be applicable. In such areas, all activities shall be permissible in all cases except those explicitly prohibited under the applicable negative list provided therein.

(8) Developments may be permitted on recommendation of DP and BP Committee in the open space LUZ if the following conditions are satisfied along with other conditions of these rules, namely:—

- (i) the land is a stitiban land and is not a leasehold land;
- (ii) the coverage is not more than 50%;
- (iii) the height is not more than 7.0 meters; and

Provided that if applicant reserves 40% of the area as public open space then the above said restrictions shall not apply:

Provided further that such 40% public open space shall be surrendered by way of free gift to the Authority for development of community space, public park, playground etc.:

Provided also that the Competent Authority shall have the discretion to combine two or more such surrendered plots of land to form one large contiguous plot of land and may also allow exchange of such surrendered plots with other landowners in similar land use zones so as to form a contiguous bigger plot of land for public use after such

reservation. In this process, principles followed for the purpose of implementation of Town Planning Scheme shall be taken into consideration.

(9) Subject to the provisions contained in Rule 20 of Odisha Development Authorities (Planning and Building Standards) Rules, 2020, the following provisions shall be applicable for all constructions in Special Heritage Zone earmarked in the Comprehensive Development Plan, namely:—

- (i) the maximum height of the building shall not exceed 15 meters; and
- (ii) all proposals for development over an area of more than 500 square meter or ten meter height or both shall only be considered on recommendations of the DP and BP committee with representation from the Archaeological Survey of India and the Odisha State Archaeology.

(10) Subdivisional Layouts shall be permitted in Environmentally Sensitive Zone , if the following conditions are satisfied along with other conditions of these rules, namely:—

- (i) the minimum size of the project site shall be more than 2 Ha;
- (ii) the minimum width of approach road as required under ODA (P&BS) Rules, 2020 shall not be less than 12 meters;
- (iii) no relaxation on required width of approach road specified for subdivisional layouts shall be permitted;
- (iv) the proposal for development shall only be considered on recommendation of DP and BP Committee with representatives from Water Resource Department, State Pollution Control Board and Public Health Engineering Department.

- (v) Notwithstanding anything to the contrary to the provisions specified in this rule all other conditions applicable for Subdivisional layout under ODA (P&BS) Rules, 2020 shall be applicable.

(11) Construction of building shall be permitted in Environmentally sensitive Zone, if the following conditions are satisfied along with other conditions of these rules, namely:—

- (i) the minimum size of the project site shall be 4000 square meters;
- (ii) the minimum width of approach road shall be 12 meters;
- (iii) the maximum coverage shall not exceed 40% of the area;
- (iv) the proposal for development shall only be considered on recommendation of DP and BP Committee with representatives from Water Resource Department, State Pollution Control Board and Public Health Engineering Department;
- (v) approval of building plan on a sub-plot within such sub-divisional layout which has been approved as per the provisions prescribed under sub-rule (8) shall be considered as per provisions of ODA (P&BS) Rules, 2020 without the restrictions specified under Clause (i) to (iv) above.

(12) Notwithstanding anything contained in these rules and without prejudice to any other law for the time being in force, construction of building shall be permitted in Road use zone proposed in the Comprehensive Development Plan, in pursuant to provisions of Section 121 of the ODA Act, 1982, subject to the fulfilment of the following conditions in addition to other applicable conditions of these rules along with other conditions of the Rules/Regulations framed under the Act, namely.-

- (i) The activity shall be permitted considering the adjacent land use proposed in the Development Plan geographically closest to the said land,
- (ii) No basement shall be permitted,
- (iii) Maximum height shall not be more than 7 meters,
- (iv) Maximum Ground Coverage shall be 50%,
- (v) The Road use zone as defined in the Comprehensive Development Plan, shall be considered as "No TDR Zone" in pursuant to the provisions prescribed under Sub-rule (7) of Rule 8 of the Odisha Transferable Development Rights Rules, 2015,
- (vi) The grant of approval under this sub-rule shall not be construed as a matter of right or protection against compulsory acquisition of the land by any competent authority at any subsequent point of time:

Provided that, where any land has been reserved for a public purpose, the landowner may, after the expiry of ten years from the date of coming into operation of the Comprehensive Development Plan, serve a notice upon the State Government in **Form-VII**, requiring that his interest in such land be acquired, in exercise of the provisions under Section 121 of the Act.
