

## ASSISTANT MANAGER (ITS)

### About CRUT:

Capital Region Urban Transport ("CRUT"), erstwhile known as Bhubaneswar Puri Transport Services(BPTS), is the sole public bus service provider for Bhubaneswar and its surrounding area, Cuttack, Khurda, Jatani and Puri etc.; it started operations in October 2010. CRUT is a Special Purpose Vehicle ("SPV"), registered under Companies Act 2013 with 100% shareholding from Bhubaneswar Development Authority, Cuttack Development Authority, Puri-Konark Development Authority and Bhubaneswar Smart City Limited.

Presently, CRUT is going through a phase of complete transformation where the services of CRUT shall be revamped through transit infrastructure improvement (in terms of new fleets, depots, terminals, bus queue shelters etc.), adoption of Gross Cost operation model and installation of Intelligent Public Transit System (IPTS). At the same time it is also creating proper institutional structure to manage everything on its own. CRUT has envisaged to operate its fleets in modernised form, with the induction of 200 new buses, from October 2018. Later, it will gradually raise up to fleet size of total 360 buses from next year onwards and shall have the possibility of becoming a city bus system with approximately 800 - 1000 buses in next 7-10 years.

### Position:

Assistant Manager (Intelligent Transit System(ITS)) is responsible to provide support in managing and monitoring Intelligent Public Transit System (IPTS) developed by Bhubaneswar Smart City Limited.

Reporting to the Manager (ITS), the ideal candidate should have the professional knowledge and required expertise in handling IPTS. Assistant Manager (ITS) shall be comfortable in managing a complex and very demanding working environment and be open to public accountability and scrutiny for their work.

Assistant Manager (ITS) helps Manager (ITS) to manage fellow staffs from various agencies contracted by CRUT for Bus Operation and implementation of Intelligent Public Transit System (IPTS).

### Qualification:

The interested candidate should have Graduate degree in the field of Information Technology (IT) or Computer Science or Electronics Engineering or equivalent from a reputed institute with minimum 3 years of overall experience in Transport Sector. Experience in Transport ITS will be an added advantage. Preference shall be given to those who has experience in IPTS.

## Responsibilities:

### Strategic Planning:

- Assist Manager (ITS) in making strategic decisions related to IPTS.
- Cultivate a strong and transparent working relationship with General Manager (Operations), General Manager (Personal and Administration) and Manager (Operations).
- Work collaboratively and strategically with other Managers.

### Supervision and Monitoring:

- Help Manager (ITS) to manage a small IT team specially designated to supervise and monitor system performance.
- Assist in coordinate with Programme Management Consultant or any other agency hired by CRUT and Bhubaneswar Smart City Limited to resolve the issues related IPTS.
- Assist in assessing the performance of the system and identify the need.
- Advise CRUT in the areas new IT development.
- Assist in developing and implementing IT policies for the CRUT.
- Assist in producing monthly MIS reports including all the performance indicators of bus operator and other (if any).

### Communications

- Participate in discussions, problem solving and priority-setting within CRUT
- Maintain sound working relationships and cooperative arrangements with all the stakeholders.

## Remuneration:

Negotiable. An all-inclusive monthly consolidated remuneration shall be paid for this position depending upon the Qualification, skills, experience and the present pay drawn.

## Tenure of Engagement:

The tenure of appointment shall be on contractual basis for a period of minimum 2 years subject to extendable to a further period based on satisfactory performance and can be terminated at any time by giving one month notice without assigning any reason thereof.
