

MANAGER (ITS)

1165

About CRUT:

Capital Region Urban Transport ("CRUT"), erstwhile known as Bhubaneswar Puri Transport Services(BPTS), is the sole public bus service provider for Bhubaneswar and its surrounding area, Cuttack, Khurda, Jatani and Puri etc.; it started operations in October 2010. CRUT is a Special Purpose Vehicle ("SPV"), registered under Companies Act 2013 with 100% shareholding from Bhubaneswar Development Authority, Cuttack Development Authority, Puri-Konark Development Authority and Bhubaneswar Smart City Limited.

Presently, CRUT is going through a phase of complete transformation where the services of CRUT shall be revamped through transit infrastructure improvement (in terms of new fleets, depots, terminals, bus queue shelters etc.), adoption of Gross Cost operation model and installation of Intelligent Public Transit System (IPTS). At the same time it is also creating proper institutional structure to manage everything on its own. CRUT has envisaged to operate its fleets in modernised form, with the induction of 200 new buses, from October 2018. Later, it will gradually raise up to fleet size of total 360 buses from next year onwards and shall have the possibility of becoming a city bus system with approximately 800 - 1000 buses in next 7-10 years.

Position:

The Manager (ITS) is responsible to provide support in managing and monitoring Intelligent Public Transit System (IPTS) developed by Bhubaneswar Smart City Limited.

Reporting to the General Manager (Operations), the ideal candidate should have the professional knowledge and required expertise in handling IPTS. Manager (ITS) shall be comfortable in managing a complex and very demanding working environment and be open to public accountability and scrutiny for their work.

Manager (ITS) directly manage Assistant Manager (ITS) and Assistant Manager (Control Room) from CRUT and fellow staffs from PgMC.

Qualification:

The interested candidate should have Graduate degree in the field of Information Technology (IT) or Computer Science or Electronics Engineering or equivalent from a reputed institute with minimum 7 years of overall experience in Transport Sector and at least 2 years of experience in Transport ITS. Preference shall be given to those who has experience in IPTS.
